Gandal+

The textile from Gudbrandsdalens Uldvarefabrik, is tailored for use in public spaces, offices, theatres and auditoriums. It has an exclusive expression, with a special shine and depth. All colours enhance the three-dimensional character of the textile and lend its irresistible iridescence to the furniture on which it is upholstered.
Designed by Per Bjørnsen, new colour range 2014: Ragnhild Nordhagen and AS Scenario Interiørarkitekter MNIL

Composition 96% Virgin Wool / 4% Polyamide

Weight 540 g/m

Width 140 cm

Abrasion resistance 80,000 rubs on Martindale test method ISO 12947-2: 1999

Fastness to light 5–7 (scale 1–8)

Resistance to rubbing dry state 4 (scale 1–5)

Resistance to rubbing wet state 3 (scale 1–5)

Cleaning Dry cleaning (P)

Wheel Mark Yes

EU-Flower Yes
